2008 REVISION SUMMARY

Background

The following summarizes the May 2008 revision of the *National Interagency Incident Management System Wildland Fire Qualification System Guide, PMS 310-1*, and identifies major changes since the April 2006 version. This revision is based on the adoption of competency based position task books (PTBs). This revision involved field review, solicitations of comments from state, tribal, and federal agencies under the National Wildfire Coordinating Group (NWCG), and the combined efforts of NWCG Working Teams.

Objectives

Establish minimum interagency training and qualification standards for national mobilization (mobilization of resources outside defined geographic areas) to wildland fire assignments.

Maintain the foundation of the performance based qualification system established in previous versions of this guide.

Strengthen the training and qualifications standards for positions related to responder health and fireline safety identified in agency reviews, as a result of national studies, and through subject matter expert (SME) input during the development process.

Keep required training to a minimum and allow for other training that supports the development of knowledge and skills to be determined at the agency level.

Major Changes

Position task books (PTBs) can be initiated prior to attendance and successful completion of Required Training. However, Trainees cannot become fully qualified for the position until Required Training has been successfully completed. A Trainee must be qualified in the prerequisite position(s) before a PTB can be initiated. Upon satisfactory prerequisite position performance, the next level PTB may be initiated once agency certification is documented on the PTB Agency Certification page.

NWCG PTBs must be used for Wildland Fire, Incident Support, and Associated Activities Position Categories. For Positions in the ICS category that do not have tasks specific to wildland fire, other all-hazard PTBs may be used as per agency direction.

Evaluators must be either qualified in the position being evaluated or supervise the Trainee; however, Final Evaluators must be qualified in the Trainee position they are evaluating. The term “qualified” means “qualified with currency.”

Some PTBs have been combined to include common tasks—with additional tasks for specific positions. The common tasks need only be completed once. While these PTBs have been combined, the positions have not been combined. Refer to Individual Position Qualification pages for more specific direction.

The Complex Incident Management Course (CIMC) is interchangeable with Advanced Incident Management (S-520).

Recurrent training (RT) has been identified for certain positions. Annual Fireline Safety Refresher (RT-130) training is required to maintain currency for designated positions.

Structural firefighters may use the Skills Crosswalk for qualification in FFT2, FFT1, ENGB and/or STEN. Those using the Skills Crosswalk must use the identified gap course material and obtain appropriate course certificates. Refer to the Skills Crosswalk for Structural and Wildland Firefighters section of the PMS 310-1 for further guidance.

Positions have been deleted or added:

The Helicopter Boss, Single Resource (HELB) and Helicopter Manager (HELM) positions have been combined and replaced by the position of Helicopter Manager, Single Resource (HMGB). This position is included in the Single Resource Boss PTB.

The position of Wildland Fire Investigation Team Member (INTM) has been added.

Requirements have changed for some positions:

The Firefighter Type 2 (FFT2) PTB has been eliminated and will be replaced with a Job Aid.

Any Single Resource Position (CRWB, DOZB, ENGB, FELB, FIRB, TRPB, HMGB) meets the prerequisite experience for Incident Commander Type 4 (ICT4).

The prerequisite Required Experience for Situation Unit Leader (SITL) is Incident Commander Type 4 (ICT4).

The prerequisite Required Experience for Deck Coordinator (DECK) is Helicopter Crewmember (HECM) and Takeoff and Landing Coordinator (TOLC).

Published NWCG directives since the 2006 version have been incorporated into this version:

A national review of Incident Command System (ICS) skills has been conducted by the U.S Fire Administration (USFA) and the National Wildfire Coordinating Group (NWCG) to identify core competencies for each ICS position.

A Skills Crosswalk comparing National Fire Protection Association (NFPA) standards for structural firefighters with National Wildfire Coordinating Group (NWCG) wildland firefighter skills has been developed for the FFT2, FFT1, ENGB, and STEN positions.

A definition of Technical Specialist has been added.

Changes have been made to allow agencies more flexibility in establishing local standards for prescribed fire; this makes the prescribed fire qualifications consistent with the rest of the PMS 310-1.

INTRODUCTION

The *National Interagency Incident Management System Wildland Fire Qualification System Guide, PMS 310-1*, developed under the sponsorship of the National Wildfire Coordinating Group (NWCG), is designed to:

1. Establish minimum requirements for training, experience, physical fitness level, and currency standards for wildland fire positions which all participating agencies have agreed to meet *for national mobilization*. Standards may be augmented to meet specific needs within an agency, but the augmentation cannot be imposed by an agency on its cooperators that meet the minimums outlined in this guide.
2. Allow cooperating agencies to jointly agree upon training, experience, physical fitness level, and currency standards to meet fire management needs for wildland fire (*wildland fire* includes wildfire, wildland fire use, and prescribed fire).
3. Establish minimum qualifications for personnel involved in prescribed fires on which resources of more than one agency are utilized—unless local agreements specify otherwise.

Any organization or agency providing resources to fill national interagency request for all types of wildland fire incidents will meet the minimum NWCG requirements described in this guide.

The NWCG recognizes the ability of cooperating agencies at the local level to jointly define and accept each other's qualifications for initial attack, extended attack, large fire operations, and prescribed fire.

NWCG DIRECTIVES

How the PMS 310-1 relates to the National Response Framework (NRF)

The primary mission for the NWCG is wildland fire management. The guidance of the PMS 310-1 will help personnel maintain the skills necessary for success in all-hazard incidents and supports the preparedness elements of the NRF.

The NRF is a guide to how the nation conducts all hazard responses. It is built upon scalable, flexible, and adaptable coordinating structures to align key roles and responsibilities across the nation, linking all levels of government, nongovernmental organizations, and the private sector. Wildland fire agencies have the ability to make significant contributions to emergency management requirements—regardless of source. The *National Interagency Incident Management System Wildland Fire Qualification System Guide, PMS 310-1* is in compliance with and supports the ability of agency personnel to meet the requirements of the NRF and National Incident Management System (NIMS).

For more information on the Framework and related Annexes, go to <http://www.fema.gov/NRF>

National Wildfire Coordinating Group (NWCG) Compliance with National Incident Management System (NIMS) Training

According to the National Integration Center Incident Management Systems Integration Division, emergency management and response personnel already trained in the Incident Command System (ICS) using the National Interagency Incident Management System (NIIMS) ICS curriculum model do not need retraining if their previous training is consistent with the Department of Homeland Security (DHS) standard.

This would include (but not be restricted to) courses managed, administered, or delivered by the Emergency Management Institute, US Fire Administration's National Fire Academy, National Wildfire Coordinating Group (NWCG), US Department of Agriculture (USDA), Environmental Protection Agency (EPA), and the US Coast Guard (USCG).

Homeland Security Presidential Directive (HSPD-5) requires training for all emergency responders to support the National Response Framework (NRF): for example, NIMS, An Introduction (IS-700), and NRF, An Introduction (IS-800B). Refer to agency specific direction for implementation.

Skills Crosswalk for Structural and Wildland Firefighters

Overview

The Skills Crosswalk identifies critical wildland firefighting skills that structural firefighters need to be safe and effective in either of two situations: when making an initial attack on a wildland fire in their jurisdiction, or when working with state and federal wildland firefighter agencies.

The *Crosswalk* was developed by analyzing and comparing National Fire Protection Association (NFPA) structural firefighting standards with National Wildland Coordinating Group (NWCG) wildland firefighting Position Task Books. The resulting Crosswalk identifies wildland skills and knowledge not incorporated within standard structural firefighting training.

By incorporating a structural firefighter's existing fire suppression knowledge and skills, use of this *Crosswalk* reduces required classroom hours, minimizes curriculum redundancies, and makes efficient use of limited training hours. Coursework, practical demonstration of skills using NWCG Task Books (or other appropriate means), and the use of materials in resource kits assembled for each position have been incorporated into the *Crosswalk*.

Purpose of the Skills Crosswalk

In every area of the nation, rural development is expanding into wildland areas. Since the 1980s, the rural population has more than doubled, with 140 million people now living in rural areas.

As a result, rural and volunteer firefighters increasingly manage fire in the Wildland Urban Interface (WUI). This *Crosswalk* provides a performance-based methodology and a learning resource guide for qualified structural firefighters to develop wildland firefighting knowledge and skills in a focused and time-efficient format. Structural firefighters with wildland skills work more safely and effectively on initial and extended attack operations. Cooperative firefighting efforts with neighboring jurisdictions and with federal wildland firefighters are enhanced.

The Crosswalk provides a standardized resource to guide local agencies in the development of training programs structured to meet needs of structural fire department personnel. By implementing the Crosswalk, wildland fire protection capacity and capability will be increased throughout the nation.

Authority Having Jurisdiction

The designated “Authority Having Jurisdiction” (AHJ) plays a primary role in the use and administration of the *Crosswalk*. The AHJ is defined by NFPA as *an organization, office, or individual responsible for enforcing the requirements of a code or standard, or for approving equipment, materials, installation, or a procedure.*

State and/or local law designate the AHJ for wildland fire protection within a given jurisdiction. Fire department chiefs, state fire marshals, state foresters, training officers, and other qualified fire protection officials are typically designated as the AHJ. The AHJ determines firefighter eligibility for *Crosswalk* use. The Idaho Department of Lands is the designated AHJ for Idaho.

NWCG Positions Used for the Skills Crosswalk

Four specific NWCG positions are incorporated in the *Crosswalk*, each paired with a counterpart structural position, as shown below:

Structural Fire Counterpart Position	Entering Qualifications	NWCG Position
Non-Supervisory Structural Firefighter, Basic	Meets NFPA standard 1001 for Firefighter 1 or equivalency	Firefighter Type 2 (FFT2)
Non-Supervisory Structural Firefighter, Advanced	Meets NFPA standard 1001 for Firefighter 2 or equivalency	Firefighter Type 1 (FFT1)
Driver/Operator/Engineer or Company Officer	Meets NFPA standard 1021 for fire officer or equivalency	Engine Boss, Single Resource (ENGB)
Experienced lieutenants, captains, chief officers	Meets NFPA standard 1021 for fire officer or equivalency	Strike Team Leader (STEN)

For more information go to www.usfa.dhs.gov/fireservice/subjects/wildfire/

Development of Position Competencies

The U.S. Fire Administration (USFA) and the National Wildfire Coordinating Group (NWCG), working on behalf of the National Integration Center Incident Management Systems Integration Division, have identified and compiled the core competencies for each ICS position identified in the National Incident Management System (NIMS) and in this edition of the *National Interagency Incident Management System Wildland Fire Qualification System Guide* PMS 310-1.

The NWCG has developed core competencies for all additional NWCG positions.

These competencies form the basis for position specific training, position task books, job aids, and other performance-based documents.

There are three primary benefits of identifying competencies:

- 1) because competencies are a national “benchmark,” they standardize qualifications without interfering with local decision making about training;
- 2) shared competencies make interagency crossover and collaboration easier;
- 3) competencies are a critical component for the development of performance based training.

The following brief descriptions will help distinguish between the terms “competencies,” “behaviors,” and “tasks”:

Competency—a broad description that groups core behaviors necessary to perform a specific function;

Behavior—a general description of an observable activity that is a logical and necessary action in the performance of a behavior; how the behavior is demonstrated or performed in a particular context;

Task—a specific description of a unit of work activity that is a logical and necessary action in the performance of a behavior; how the behavior is demonstrated or performed in a particular context;

Competencies and behaviors among positions are similar. This similarity may hide critical differences in proficiency level and the environment or type of incident in which the position is expected to perform.

These critical differences are typically captured in the tasks of each position.

For position specific competencies and behaviors go to www.nwcg.gov

DESCRIPTION OF THE PERFORMANCE BASED SYSTEM

In the performance based Wildland Fire Qualification System, qualification is based on completion of Required Training and demonstrated successful position performance by completing the applicable position task book on wildland fires, events, incidents, job activities, and in simulated exercises or classroom activities.

The primary criterion for qualification is individual performance as observed by an Evaluator. Evaluators must be either qualified in the position being evaluated or supervise the Trainee; Final Evaluators must be qualified in the Trainee position they are evaluating.

The successful performance must then be properly documented in an approved NWCG position task book (PTB). Position task books contain all critical tasks that are required to perform the job. The process of demonstrating the abilities to perform the position is the completion of a PTB. The tasks in each PTB have been established by subject matter experts from all NWCG agencies and geographical areas of the United States, and tested and approved by the NWCG.

NWCG PTBs must be used for Wildland Fire, Incident Support, and Associated Activities Position Categories. For Positions in the ICS category that do not have tasks specific to wildland fire, other all-hazard PTBs may be used as per agency direction.

Position task books are in a format which allows for documentation of a Trainee's ability to perform each task. Tasks pertaining to tactical decision-making and safety require position performance on a wildland fire. Remaining tasks may be evaluated through other means such as a simulation, or emergency or non-emergency incident/event.

The basis for recommending Agency Certification is successful completion of all required tasks of the position, as determined by the Evaluator(s) and Final Evaluator. Certification and documentation of completed PTBs is the responsibility of the Certifying Official from the Home Unit/Agency (this includes the employing agency when applicable).

Individuals are responsible for providing proof of qualification on an incident.

CERTIFICATION AND RECERTIFICATION

Agency certification and documentation of successful position performance (completion of the PTB) is the responsibility of the employing agency. This certification indicates the individual is qualified to perform in a specific position.

Each agency is responsible for annually certifying qualifications of its personnel based upon the requirements of this guide and agency specific requirements supplementing this guide. This responsibility includes evaluation of personnel for recertification in cases where position qualifications are no longer valid due to a lack of current experience.

Successful completion of position tasks and training courses does not guarantee an individual will be qualified to perform in a position. Certification and recertification is a subjective determination each individual agency must make based on task evaluations, position performance evaluations, and their own judgment of the quality of an individual's experience.

The quality of experience should be closely evaluated when making a determination for advancement to the next higher position, to a different position, or for recertification. The quality of experience may relate to the variety of fuel types in which an individual has performed, the size and complexity of the incident or event in terms of personnel, equipment, and operations, and the number of assignments.

While agency personnel can sign tasks in position task books as an Evaluator and/or Final Evaluator (which includes recommending a Trainee for certification where appropriate), agency personnel cannot function in the role of the Certifying Official for contractors—except where formal agreements are in place. Clauses in contracts are to include stipulations that specify the service provider must meet the standards found in this guide.

Casuals/emergency workers must meet hiring or certifying agency's requirements.

POSITION QUALIFICATIONS

Required Training

Required Training provides a direct link between training and job performance to provide for responder health and safe operations on wildland fires.

Note: The only exception to the PMS 310-1 Required Training is for structural firefighters using the Skills Crosswalk for qualification in FFT2, FFT1, ENGB and/or STEN. Those using the Skills Crosswalk must use the identified gap course material and obtain appropriate course certificates. Refer to the Skills Crosswalk for Structural and Wildland Firefighters section of the PMS 310-1 for further guidance.

Position task books (PTBs) can be initiated prior to attendance and successful completion of Required Training. However, Trainees cannot become fully qualified for the position until Required Training has been successfully completed. A Trainee must be qualified in the prerequisite position(s) before a PTB can be initiated.

Agency equivalent courses, and courses that are interchangeable as identified by the NWCG Training Working Team, may be substituted for required courses. For information on interchangeable courses and course equivalency guidelines, see the *Field Manager's Course Guide*, PMS 901-1, available at <http://www.nwcg.gov/pms/training/training.htm>

Recurrent Training

In order to maintain currency, some positions have identified recurrent training (RT) at various intervals. For more information, consult the *Field Manager's Course Guide*, PMS 901-1.

Annual Fireline Safety Refresher (RT-130) Training

Attendance at an Annual Fireline Safety Refresher (RT-130) is required for designated positions in this guide in order to maintain currency, and for all personnel assigned to positions with fireline duties and for any position assigned to the fireline for non-suppression tasks.

Annual Fireline Safety Refresher (RT-130) training will focus on mandatory core content subjects and not on a minimum timeframe standard. The required number of hours is determined by the agency.

Core content is listed under Wildland Fire Safety Refresher Training at <http://www.nifc.gov/wfstar/index.htm>

Required Experience

Required Experience includes qualification in any prerequisite position and successful position performance through completion of the position task book. Required Experience cannot be challenged.

Physical Fitness Levels

Personnel must meet established physical fitness levels for wildland fire assignments. Agencies may determine the method of evaluating the physical fitness level of their personnel. However, the testing method should be a measurable evaluation process.

The physical fitness levels for some positions (for example, strike team leader) have been modified based on research completed by the Missoula Technology & Development Center (MTDC). For more information, see <http://fsweb.mtdc.wo.fs.fed.us/> (*intranet site for Forest Service and Bureau of Land Management*) or *internet site* www.fs.fed.us/t-d/ (*user name t-d, password t-d*)

Four levels of physical fitness have been established:

1. **Arduous**—duties involve fieldwork requiring physical performance calling for above-average endurance and superior conditioning. These duties may include an occasional demand for extraordinarily strenuous activities in emergencies under adverse environmental conditions and over extended periods of time. Requirements include running, walking, climbing, jumping, twisting, bending and lifting more than 50 pounds; the pace of work typically is set by the emergency situation.
2. **Moderate**—duties involve fieldwork requiring complete control of all physical faculties and may include considerable walking over irregular ground, standing for long periods of time, lifting 25 to 50 pounds, climbing, bending, stooping, squatting, twisting and reaching. Occasional demands may be required for moderately strenuous activities in emergencies over long periods of time. Individuals usually set their own work pace.
3. **Light**—duties mainly involve office type work with occasional field activity characterized by light physical exertion requiring basic good health. Activities may include climbing stairs, standing, operating a vehicle and long hours of work, as well as some bending, stooping, or light lifting. Individuals can usually govern the extent and pace of their physical activity.
4. **None Required**—positions that do not require a physical fitness level.

For any position assigned to the fireline for non-suppression tasks, the required physical fitness level shall be “Light.”

Currency Requirements

For the positions identified in this guide, the maximum time allowed for maintaining currency is three (3) years for air operations and dispatch positions and five (5) years for all others.

Currency for a position can be maintained by meeting any of the following requirements:

1. By successful performance in the position qualified for within the given timeframe.
2. By successful performance in a position identified in this guide as Other Position Assignments That Will Maintain Currency.
3. By successful performance in a higher position(s) for which that position is a prerequisite, providing the individual was previously qualified in that position.

Example: Currency for a Resources Unit Leader (RESL) can be maintained by (1) successful performance as a Resources Unit Leader (RESL); or, (2) successful performance as a Demobilization Unit Leader (DMOB) or Status/Check-In Recorder (SCKN); or, (3) successful performance as a Planning Section Chief Type 2 (PSC2) within five years.

Other Training Which Supports Development of Knowledge and Skills

Personnel are not required to complete NWCG courses referenced under “Other Training Which Supports Development of Knowledge and Skills” in order to qualify for an NWCG position—unless specific agency policy dictates otherwise.

Personnel may learn skills from other sources (structural fire, law enforcement, search and rescue, or other agency specific training programs), rather than through actual performance on a wildland fire or in NWCG curricula.

Although training referenced here is not “required,” the training provided in the identified courses or Job Aids, or knowledge and skills acquired through on-the-job training, work experience, or training determined by one’s agency, is a primary means by which personnel can prepare for position performance evaluation by obtaining specific knowledge and skills required to perform tasks identified in the PTB.

For more information on training courses, Job Aids, curriculum history, and course revision schedule, refer to the NWCG Training Working Team website at <http://training.nwcg.gov>. The *Field Manager’s Course Guide*, PMS 901-1, at <http://www.nwcg.gov/pms/training/training.htm> is the authoritative reference for all courses within the NWCG curriculum.

INCIDENT COMPLEXITY (Wildfire and Wildland Fire Use)

The agency administrator or designated representative must determine the complexity of an incident and assign qualified personnel as needed. In situations where multiple agencies and jurisdictions are involved, the determination of complexity and qualifications should be made jointly.

There are many factors that determine incident complexity: size, location, threat to life and property, political sensitivity, organizational complexity, jurisdictional boundaries, values to be protected, fuel type, topography, agency policy, etc. For more specific guidance on determining types of complexity, refer to the *Fireline Handbook*, PMS 410-1, and the *Incident Response Pocket Guide*, PMS 461. Both documents are at <http://www.nwcg.gov/pms/pubs/pubs.htm>.

PRESCRIBED FIRE COMPLEXITY

Agencies can develop their own specific prescribed fire complexity determination procedures. The *Prescribed Fire Complexity Guide*, PMS 424, is an aid for use in this process. This document is at <http://www.nwcg.gov/pms/RxFire/rxfire.htm>.

NATIONALLY MOBILIZED AREA COMMAND, TYPE 1 AND TYPE 2 INCIDENT MANAGEMENT TEAMS

To become eligible for participation on an Area Command Team, any person filling a team position must successfully complete Area Command (S-620).

To become eligible for participation on a National Type 1 Incident Management Team, any person filling a team position as the Incident Commander, Safety Officer, Information Officer or General Staff must successfully complete Advanced Incident Management (S-520) or Complex Incident Management Course (CIMC) as per agency direction.

To become eligible for participation on a Type 2 Incident Management Team, any person filling a team position as the Incident Commander, Safety Officer, Information Officer or General Staff must successfully complete Command and General Staff (S-420).

An individual, having successfully completed the S-420, S-520 or CIMC, or S-620 course, does not need to reattend for the purpose of changing functions on a team at the appropriate level—such changes will be governed by meeting the requirements of the applicable position task book and receiving agency certification.

REVIEW AND UPDATE PROCESS FOR THE PMS 310-1 AND POSITION TASK BOOKS

PMS 310-1

A formal revision of the PMS 310-1 will occur every five years. However, the Incident Operations Standards Working Team (IOSWT) may review proposals and address issues at any time. All NWCG agencies will be requested to review and provide input for the proposed revision prior to the revision being adopted by NWCG.

Position Task Books (PTBs)

Comments and proposals on PTBs and the qualification process must be submitted through the appropriate agency official or geographic area coordination group (GACG) to the Incident Operations Standards Working Team (IOSWT).

The IOSWT may review PTB and qualification proposals and address issues at any time. The IOSWT will consult with NWCG working teams and subject matter experts as appropriate, and recommend adoption or rejection by the NWCG.

Position task books, which may be developed for positions not identified within the PMS 310-1, must be submitted to the IOSWT for review and approval as NWCG positions.

Information on updates to the PMS 310-1, decisions affecting new positions, changes in qualifications, and new, revised, and approved position task books is available on the NWCG website at <http://www.nwcg.gov>.

POSITION TASK BOOK (PTB) DESIGN AND USE

Position task books are designed primarily for the evaluation of individual performance or as a checklist for recertification, but they may also be used as a basis for on-the-job training.

Position Task Book Initiation

A Trainee must be qualified in any prerequisite position before the next level PTB can be initiated. A Trainee cannot be assigned to an incident unless they are designated as a Trainee on their Incident Qualification Card or other agency proof of certification.

Position Task Book Completion Timeframes

As of the publication date, the standards established in this edition of PMS 310-1 will be met by all participating agencies. Individuals who have begun the process of qualifying for a position under previous editions can continue to use those standards as long as they complete the process prior to the expiration deadlines of the PTB.

Any individual who has begun the evaluation process need not take any newly required course(s) for that position. Additionally, personnel who are qualified in a position prior to the implementation of this revision may retain certification at the discretion of their agency. To qualify in any other position, the individual must meet the standards identified herein.

Position task books have a limited time in which they can be completed:

A PTB is valid for three years from the day it is initiated. Upon documentation of the first task in the PTB, the three-year time limit is reset from that new date.

If the PTB is not completed in three years from the date of the PTB initiation (or first task being evaluated) the PTB will no longer be valid. A new PTB may be initiated, but all current qualification standards will then apply.

Position Task Book Sections

Accurate completion of PTBs is important to the qualification process. The introductory information in each PTB provides a brief description of how the PTB is to be used.

The **Cover** includes the title of the position(s) and, if applicable, states that a “wildfire,” “wildland fire use,” or “prescribed fire” (or a “*wildland fire*” if referring to wildfire, wildland fire use, and prescribed fire collectively) assignment is required prior to certification.

The cover also contains a block that includes information about the individual (Trainee), the person initiating the PTB, and the date it was initiated. The Home Unit/Agency or Training Specialist (TNSP)—with approval from the Home Unit/Agency—will enter this information.

The **Verification/Certification of Completed Task Book** provides a record of the Final Evaluator’s recommendation and agency certification. The Final Evaluator will complete the verification section recommending certification and the Certifying Official at the Home Unit/Agency, when appropriate, will complete the certification.

The **Qualification Record** includes:

The left column with a list of **TASKS** that must be performed. If a specific standard (quality or quantity) is required, it will be specified in the task. Tasks within the PTB are numbered sequentially; however, the numbering does NOT indicate the order in which the tasks need to be performed or evaluated.

The bullets under each numbered task are examples or indicators of items or actions related to the task. The purpose of the bullets is to assist the Evaluator in evaluating the Trainee; the bullets are not all-inclusive. Evaluate and initial ONLY the tasks. DO NOT evaluate and initial each individual bullet.

The column labeled **CODE** will contain a code that specifies the type of situation in which the task must be completed.

Tasks labeled with an “**O**” can be completed in any situation (classroom, simulation, daily job, incident, prescribed fire, etc.) Assignment to an incident is not required.

For example, an administrative officer, as a part of their regular job, may perform many of the tasks associated with a finance/administrative position for which they have been identified as a Trainee. In this case, an Evaluator may observe and document performance of the “O” task in the regular job setting.

Tasks labeled with an **“I” (incident)** must be performed on an incident that is managed under the Incident Command System (ICS). Types of incidents include wildland fire, structural fire, search and rescue, hazardous material, oil spill, an emergency or non-emergency (planned or unplanned) event.

Tasks labeled with a **“WF” (wildland fire)** must be performed on a wildland fire incident (the term wildland fire includes wildfire/W, prescribed fire/RX, or wildland fire use/WFU).

Tasks labeled with a **“W”** must be performed on a wildfire incident.

Tasks labeled with an **“RX” (prescribed fire)** must be performed on a prescribed fire incident.

Tasks labeled with a **“WFU” (wildland fire use)** must be performed on a wildland fire use incident.

Tasks labeled with an **“R” (rare event)** such as accidents, injuries, vehicle or aircraft crashes occur infrequently and opportunities to evaluate performance in a real setting are limited. The Evaluator should determine, through interview, if the Trainee would be able to perform the task in a real situation.

The column labeled **“Evaluation Record #”** refers to the numbered evaluation records at the end of the PTB. Each Evaluator will complete an Evaluation Record and enter the number of that record to reference completed tasks.

The right-hand column labeled **“Evaluator”** provides space for the Evaluator to initial and date when the task is completed. All tasks must be completed, initialed and dated before the Trainee can be recommended for certification in the position.

The **Evaluation Record** (two pages at the end of the PTB) is for recording information about the type and complexity of the incident on which the evaluation was made and the recommendations of the Evaluator. Additional copies of the Evaluation Record can be downloaded at www.nwcg.gov/pms/taskbook/taskbook.htm.

Position Task Book Responsibilities

Documentation of training, experience, and the qualification process is the responsibility of the Home Unit/Agency. Documentation of training, experience, and the qualification process for contractors and their employees is the responsibility of the contractor, except where formal agreements are in place.

The **Home Unit/Agency** is the designated agency that employs the individual. This could be at the local, state, regional, or national level. The Certifying Official from the Home Unit/Agency has administrative authorization to manage the qualification system for that Home Unit/Agency (see Certifying Official).

It is the responsibility of the Home Unit/Agency to:

- Select Trainees, based upon the needs of the Home Unit/Agency and agreements with cooperators.

- Ensure individuals selected as Trainees are qualified in any prerequisite position.

 - Example: A Trainee selected for the position of Crew Boss, Single Resource (CRWB) must have documented, satisfactory performance as a Firefighter Type 1 (FFT1).

- Initiate and explain the purpose and proper use of the PTB, and the training, qualification and certification process. Position task books can only be initiated by either the Home Unit/Agency or a Training Specialist on an incident (with approval from the Home Unit/Agency).

- Ensure the Trainee has the opportunity to acquire the knowledge/skills necessary to perform the position. This includes completion of required training courses and on-the-job training assignments.

- Provide opportunities for non-incident (“O”) task evaluation.

- Track the progress of the Trainee.

- Ensure that the Trainee successfully completes any Required Training prior to being recommended for certification by a Final Evaluator.

- Issue proof of certification as required by PMS 310-1. This proof is normally an incident qualification card.

Trainee

The Trainee is the individual, approved by their agency, who is preparing to qualify for a position. The Trainee is eligible for formal, on-the-job training.

It is the responsibility of the Trainee to:

Review and understand the instructions in the PTB.

Meet with the Evaluator and/or Coach and identify desired goals and objectives for an assignment.

Ensure readiness to perform the tasks of the position prior to undertaking a position performance assignment. This includes acquiring the knowledge and skills needed to perform the job tasks. On-the-job training assignments may assist in acquiring knowledge and skills.

Provide background information (training and experience) to the Evaluator and/or Coach.

Complete the PTB within the three-year time limit. If the PTB is not completed in three years from the date of the PTB initiation (or first task being evaluated), the PTB will no longer be valid. A new PTB may be initiated, but all current qualification standards will then apply.

Ensure an Evaluator completes the Evaluation Record, initials completed tasks, and enters a number in the Evaluation Record # column.

Provide a copy of the completed PTB to the Home Unit/Agency.

Retain the original PTB. This is extremely important, as the PTB is the only record of task performance. A lost or destroyed PTB may require additional position performance assignments.

Successfully complete any Required Training prior to being recommended for certification by a Final Evaluator.

Provide proof of qualifications on an incident.

Coach

The Coach provides instruction to a Trainee. This may be in the classroom, on-the-job, or on an incident. While many of the requirements of the Coach are similar to those of an Evaluator, the roles of coaching and evaluating must remain separate:

For example, a Coach may be instructing a Trainee in pump operation tasks. When the Trainee appears to have mastered the tasks, the Coach can become the Evaluator and observe and record performance of the task. It is similar to instructing in the classroom and administering a test. The two functions are separate. They can be performed in sequence, but not at the same time.

It is the responsibility of the Coach to:

Be qualified in the position or supervise the Trainee.

Meet with the Trainee and determine past experience and training, current qualifications, desired goals and objectives of the assignment.

Note: If a Coach determines that the Trainee does not meet the prerequisite Required Experience or does not have the knowledge/skills to perform the tasks of the position, then the position performance assignment must not continue. The Coach can provide on-the-job training and then recommend a position performance assignment at a later time during the same incident.

Review the tasks in the PTB with the Trainee and explain the procedures that will be used in the training assignment and the objectives that should be met during the assignment.

Reach agreement with the Trainee on the specific tasks that can be performed during the assignment.

Document training assignment according to HomeUnit/Agency procedures.

Training Specialist

The Training Specialist can be an individual from the Home Unit/Agency who is responsible for training and qualifications, or an NWCG qualified Training Specialist (TNSP) on an incident/event.

It is the responsibility of the Training Specialist to:

Meet with the Trainee and determine the type of assignment necessary (position performance assignment or on-the-job training). Consider past experience and training, current qualifications, desired goals and objectives of the assignment.

Note: If the Trainee does not meet the prerequisite Required Experience for the position or does not have the knowledge/skills to perform the tasks of the position, then the position performance assignment must not continue. If the individual meets the prerequisites but does not have the necessary knowledge/skill, it may be possible to provide on-the-job training and reinstate the performance assignment at a later time during the same incident.

Identify opportunities for on-the-job training and position performance assignments that meet the Trainee's needs and objectives.

Work with the Home Unit/Agency or appropriate personnel on the incident to identify and assign qualified Evaluators.

Initiate a PTB ONLY after obtaining approval from the Trainee's Home Unit/Agency.

Document all on-the-job training and position performance assignments.

Conduct periodic progress reviews to ensure assignments are proceeding as planned.

Conduct a closeout interview with the Trainee and Evaluator to ensure that the PTB has been properly completed.

Evaluator

The Evaluator is the person who actually observes the task(s) being performed and documents successful performance in the PTB. The Evaluator and the Coach may be the same person; however, the functions of coaching and evaluating must remain separate (see Coach).

It is the responsibility of the Evaluator to:

Be qualified in the position being evaluated or supervise the Trainee. If the Evaluator supervises the Trainee, but is not qualified in the position, the Evaluator can sign tasks, but cannot function as the Final Evaluator.

Meet with the Trainee and determine past experience and training, current qualifications, desired goals and objectives of the assignment.

Note: If an Evaluator determines the Trainee does not meet the prerequisite Required Experience or does not have the knowledge/skills to perform the tasks of the position, then the position performance assignment must not continue. At the discretion of the Evaluator, and if the individual meets the prerequisite Required Experience, it may be possible to provide on-the-job training and reinstate the Trainee into the position performance assignment at a later time during the same incident.

Review the tasks in the PTB with the Trainee and explain the procedures that will be used in the evaluation and the objectives that should be met during the assignment.

Reach agreement with the Trainee on the specific tasks that can be performed and evaluated during the assignment.

Accurately evaluate and record the demonstrated performance of tasks. This is the Evaluator's most important responsibility; it provides for the integrity of the performance based qualification system.

Complete the appropriate Evaluation Record in the back of the PTB. If more than one position performance assignment is necessary, the Evaluator will complete an Evaluation Record for each assignment.

Final Evaluator

While Evaluators must be either qualified (meaning qualified with currency) in the position being evaluated or supervise the Trainee, a Final Evaluator must be qualified in the Trainee position they are evaluating.

Only the Evaluator on the final position performance assignment (the assignment in which all remaining tasks have been evaluated and initialed) will complete the Final Evaluator's Verification statement inside the front cover of the PTB recommending certification.

Certifying Official

The Certifying Official from the Home Unit/Agency must review and confirm the completion of the PTB and make a determination of agency certification. This determination should be based on the Trainee's demonstration of position competencies and behaviors, as well as the completed PTB—which includes a Final Evaluator's Verification. Only the Certifying Official from the Home Unit/Agency has the authority to certify an individual's qualifications.

POSITION TASK BOOK CONSIDERATIONS AND EXCEPTIONS

Positions without NWCG Position Task Books

Individuals in the following positions perform tasks that vary depending on the agency and/or the assignment. Assignment and qualification will be determined by the agency.

- Agency Representative (AREP)
- Air Tanker/Fixed Wing Coordinator (ATCO)
- Interagency Resource Representative (IARR)
- Liaison Officer (LOFR)
- Operations Branch Director (OPBD)
- Service Branch Director (SVBD)
- Support Branch Director (SUBD)

Positions with the Same Position Task Book for the Type 2 and Type 1 Complexity Levels

- Finance/Administration Section Chief Type 2 & Type 1 (FSC2&FSC1)
- Helibase Manager Type 2 & Type 1 (HEB2&HEB1)
- Incident Business Advisor Type 2 & Type 1 (IBA2&IBA1)
- Incident Commander Type 2 & Type 1 (ICT2&ICT1)
- Logistics Section Chief Type 2 & Type 1 (LSC2&LSC1)
- Operations Section Chief Type 2 & Type 1 (OSC2&OSC1)
- Planning Section Chief Type 2 & Type 1 (PSC2&PSC1)
- Prescribed Fire Burn Boss Type 2 & Type 1 (RXB2&RXB1)
- Prescribed Fire Manager Type 2 & Type 1 (RXM2&RXM1)
- Public Information Officer Type 2 & Type 1 (PIO2&PIO1)
- Safety Officer Type 2 & Type 1 (SOF2&SOF1)

For positions having the same PTB, Trainees are required to complete an initiated PTB for each complexity level. When the PTB is initiated, the applicable level should be identified by crossing out the nonapplicable position identifiers on the PTB cover.

Example: A Trainee completes a PTB for Incident Commander Type 2 (ICT2) and receives certification from the Home Unit/Agency in that position. When the Home Unit/Agency determines the individual has demonstrated satisfactory position performance as an ICT2, a new Incident Commander Type 2 & Type 1 (ICT2&1) PTB may be initiated for ICT1. Crossing out ICT2 on the cover indicates the Trainee is working to complete the ICT1 Position Task Book.

Positions with Combined Position Task Books (PTBs)

Some NWCG PTBs have been combined; *however, the positions referenced on the PTBs have not been combined. For additional information refer to Individual Position Qualification pages in the PMS 310-1 or the position task book.*

Combined PTBs with Common Tasks:

1. Single Resource Boss: (CRWB, DOZB, ENGB, FELB, FIRB, HMGB, & TRPB)
2. Helicopter Coordinator & Air Tactical Group Supervisor (HLCO & ATGS)
3. Resource Unit Leader, Situation Unit Leader & Demobilization Unit Leader (RESL, SITL & DMOB)
4. Facilities Unit Leader, Communications Unit Leader, Food Unit Leader, Ground Support Unit Leader, Medical Unit Leader & Supply Unit Leader (FACL, COML, FDUL, GSUL, MEDL & SPUL)
5. Compensation/Claims Unit Leader, Procurement Unit Leader, Time Unit Leader (COMP, PROC & TIME)
6. Personnel Time Recorder, Compensation-for-Injury Specialist, Claims Manager, Equipment Time Recorder, & Commissary Manager (PTRC, INJR, CLMS, EQTR, & CMSY)

These PTBs have been combined to include common tasks—with additional tasks for specific positions as referenced. The common tasks only need to be completed once. When the PTB is initiated, the applicable position(s) should be identified by crossing out the nonapplicable positions on the cover.

For each subsequent position, a new Front Cover Initiation page and a new Verification/Certification page must be printed and initiated (with the applicable position being identified by crossing out the nonapplicable positions on the cover). The Required Experience for RESL must be met prior to completing additional DMOB tasks.

Firefighter Type 1 (FFT1) and Incident Commander Type 5 (ICT5)

The FFT1 tasks only need to be completed once; the additional tasks specific to ICT5 must be completed to obtain ICT5 qualification. The FFT1 and ICT5 PTBs can be initiated at the same time; the tasks can be completed simultaneously. A Verification/Certification page is included in the PTB for each position.

Strike Team Leader (STCR, STEN, STDZ, STPL) and Task Force Leader (TFLD)

For qualification as a Strike Team Leader, the specific Strike Team Leader PTB must be initiated (with the applicable position being identified by crossing out the nonapplicable positions on the cover). The Strike Team Leader tasks only need to be completed once. Once qualified as a Strike Team Leader, any additional Single Resource Boss qualifications will allow agencies to qualify the individual in the corresponding Strike Team Leader position. An additional PTB for that position does not need to be completed. Certification must be documented on a Verification/Certification page.

Once qualified as a Strike Team Leader, to become a TFLD a new Front Cover Initiation page and a new Verification/Certification page must be printed and initiated (with the applicable

position being identified by crossing out the nonapplicable positions on the cover) and the additional tasks in the PTB for TFLD must be completed.

For an individual utilizing the alternate pathway of two Single Resource Boss + ICT4, a TFLD PTB must be initiated (with the applicable position being identified by crossing out the nonapplicable positions on the cover) and all tasks in the PTB must be accomplished and evaluated.

Note: If a TFLD meets the prerequisite experience and qualifications of a STL, the appropriate STL qualification may be granted by the certifying official. Certification must be documented on a Verification/Certification page.

Fire Behavior Analyst (FBAN) and Long Term Fire Analyst (LTAN)

For qualification as a FBAN, the PTB should be initiated (with the FBAN position being identified by crossing out LTAN on the cover). The FBAN tasks only need to be completed once.

Once qualified as FBAN, to become a LTAN a new Front Cover Initiation page and a new Verification/Certification page must be printed and initiated (with the LTAN position being identified by crossing out the FBAN positions on the cover) and the additional tasks in the PTB for LTAN must be completed.

For qualification as an LTAN (without prior FBAN qualification), the PTB indicating LTAN will be initiated and all tasks in the PTB must be accomplished and evaluated.

Note: If an LTAN meets the prerequisite experience and qualifications of an FBAN, the FBAN qualification may be granted by the certifying official. Certification must be documented on a Verification/Certification page.

Fire Use Manager 2 & 1 (FUM2 & FUM1)

For this PTB the FUM1 qualification builds on the FUM2 qualification; these two positions cannot be worked on simultaneously. The FUM2 tasks are completed only once.

Once qualified as a FUM2, to become a FUM1 a new Front Cover Initiation page and a new Verification/Certification page must be printed and initiated (with the FUM1 position being identified by crossing out the FUM2 positions on the cover) and the additional tasks in the PTB for FUM1 must be completed.

If an individual utilizing the alternate pathways of RXB1 or ICT2 to achieve FUM1, a FUM1 PTB must be initiated (with the FUM1 position being identified by crossing out the FUM2 position on the cover) and all tasks in the PTB must be accomplished and evaluated.

POSITION CATEGORIES

Criteria for Position Consideration in the PMS 310-1

The following seven criteria must be met for a position to be considered for inclusion in the PMS 310-1:

1. The position is needed for national mobilization;
2. The position is interagency in scope;
3. The position has been reviewed and is supported by the interagency community;
4. The position supports the NWCG mission;
5. The position qualifications have been submitted by an NWCG member, agency, Geographic Area Coordinating Group, or NWCG working team;
6. No other position exists that can accomplish these tasks;
7. The primary position qualifications are not addressed or supported by industry standards/requirements and training.

There are five position categories recognized by the National Wildfire Coordinating Group (NWCG):

1. Incident Command System (ICS)
2. Wildland Fire
3. Incident Support
4. Associated Activities
5. Technical Specialists

The NWCG Incident Operations Standards Working Team (IOSWT) has established and approved qualifications and position task books for the following four position categories:

1. Incident Command System (ICS)
2. Wildland Fire
3. Incident Support
4. Associated Activities

Technical Specialists

Technical Specialists are personnel with specialized skills gained through educational degree programs or industry training of established standards. These personnel may perform the same duties during an incident that they perform in their regular job and may have supplemental training in the Incident Command System in order to utilize their specialized skills in the incident environment.

Although position codes have been assigned to technical specialist positions that can be used within the Incident Command System, no minimum qualifications have been established by NWCG.

For titles and position codes of identified technical specialists see the Incident Qualifications and Certification System (IQCS) website <http://iqcs.nwcg.gov>

Incident Command System (ICS) Positions

Incident Command System (ICS) positions: in the ICS organizational chart recognized by NWCG for use on wildland fires and for response to all-hazard incidents. This category includes ICS positions approved under the National Incident Management System (NIMS).

Positions with an * have agency established qualifications and no NWCG position task book.

Agency Representative (AREP)*
Air Operations Branch Director (AOBD)
Air Support Group Supervisor (ASGS)
Air Tactical Group Supervisor (ATGS)
Air Tanker/Fixed Wing Coordinator (ATCO)*
Area Command Aviation Coordinator (ACAC)
Area Commander (ACDR)
Assistant Area Commander, Logistics (ACLC)
Assistant Area Commander, Planning (ACPC)
Base/Camp Manager (BCMG)
Claims Specialist (CLMS)
Commissary Manager (CMSY)
Communications Unit Leader (COML)
Compensation/Claims Unit Leader (COMP)
Compensation-for-Injury Specialist (INJR)
Cost Unit Leader (COST)
Demobilization Unit Leader (DMOB)
Division/Group Supervisor (DIVS)
Documentation Unit Leader (DOCL)
Equipment Manager (EQPM)
Equipment Time Recorder (EQTR)
Facilities Unit Leader (FACL)
Finance/Administration Section Chief Type 1 (FSC1)
Finance/Administration Section Chief Type 2 (FSC2)
Food Unit Leader (FDUL)
Ground Support Unit Leader (GSUL)
Helibase Manager Type 1 (4 or more helicopters) (HEB1)
Helibase Manager Type 2 (1-3 helicopters) (HEB2)
Helicopter Coordinator (HLCO)
Incident Commander Type 1 (ICT1)
Incident Commander Type 2 (ICT2)
Incident Commander Type 3 (ICT3)
Incident Commander Type 4 (ICT4)
Incident Communications Center Manager (INCM)
Incident Communications Technician (COMT)
Liaison Officer (LOFR)*
Logistics Section Chief Type 1 (LSC1)
Logistics Section Chief Type 2 (LSC2)
Medical Unit Leader (MEDL)
Operations Branch Director (OPBD)*

Operations Section Chief Type 1 (OSC1)
Operations Section Chief Type 2 (OSC2)
Ordering Manager (ORDM)
Personnel Time Recorder (PTRC)
Planning Section Chief Type 1 (PSC1)
Planning Section Chief Type 2 (PSC2)
Procurement Unit Leader (PROC)
Public Information Officer (PIOF)
Public Information Officer Type 1 (PIO1)
Public Information Officer Type 2 (PIO2)
Receiving/Distribution Manager (RCDM)
Resources Unit Leader (RESL)
Safety Officer Type 1 (SOF1)
Safety Officer Type 2 (SOF2)
Safety Officer, Line (SOFR)
Security Manager (SECM)
Service Branch Director (SVBD)*
Situation Unit Leader (SITL)
Staging Area Manager (STAM)
Status/Check-In Recorder (SCKN)
Strike Team Leader Crew (STCR)
Strike Team Leader Dozer (STDZ)
Strike Team Leader Engine (STEN)
Strike Team Leader Tractor/Plow (STPL)
Supply Unit Leader (SPUL)
Support Branch Director (SUBD)*
Task Force Leader (TFLD)
Time Unit Leader (TIME)

Wildland Fire Positions

Wildland Fire positions: needed specifically for wildfire suppression, application of prescribed fire, and wildland fire use.

Crew Boss, Single Resource (CRWB)
Crew Representative (CREP)
Dozer Boss, Single Resource (DOZB)
Engine Boss, Single Resource (ENGB)
Felling Boss, Single Resource (FELB)
Field Observer (FOBS)
Fire Behavior Analyst (FBAN)
Fire Effects Monitor (FEMO)
Fire Use Manager Type 1 (FUM1)
Fire Use Manager Type 2 (FUM2)

Firefighter Type 1 (FFT1)
Firefighter Type 2 (FFT2)
Firing Boss, Single Resource (FIRB)
Helicopter Crewmember (HECM)
Helicopter Manager, Single Resource (HMGB)
Incident Commander Type 5 (ICT5)
Long Term Fire Analyst (LTAN)
Prescribed Fire Burn Boss Type 1 (RXB1)
Prescribed Fire Burn Boss Type 2 (RXB2)
Prescribed Fire Manager Type 1 (RXM1)
Prescribed Fire Manager Type 2 (RXM2)
Structure Protection Specialist (STPS)
Tractor Plow Boss, Single Resource (TRPB)

Incident Support Positions

Incident Support positions: used in support of incident management but not necessarily directly attached to an incident or ICS organization.

Aircraft Base Radio Operator (ABRO)
Aircraft Dispatcher (ACDP)
Deck Coordinator (DECK)
Display Processor (DPRO)
Expanded Dispatch Coordinator (CORD)
Expanded Dispatch Recorder (EDRC)
Expanded Dispatch Supervisory Dispatcher (EDSP)
Expanded Dispatch Support Dispatcher (EDSD)
Geographic Information System Specialist (GISS)
Human Resource Specialist (HRSP)
Incident Business Advisor Type 1 (IBA1)
Incident Business Advisor Type 2 (IBA2)
Initial Attack Dispatcher (IADP)
Interagency Resource Representative (IARR)*
Radio Operator (RADO)
Single Engine Air Tanker Manager (SEMG)
Take-Off and Landing Coordinator (TOLC)
Training Specialist (TNSP)

Associated Activities Positions

Associated Activities positions: needed for associated activities not directly involved in or in support of an incident.

Fire Prevention Education Team Leader (PETL)
Fire Prevention Education Team Member (PETM)
Wildland Fire Investigation Team Member (INTM)
Wildland Fire Investigator (INVF)

This page intentionally left blank

Qualifications for Command and General Staff Positions

AREA COMMANDER (ACDR)
(Position Category: ICS)

REQUIRED TRAINING

Area Command (S-620)

REQUIRED EXPERIENCE

Satisfactory performance as an Assistant Area Commander Planning (ACPC)

+

Successful position performance as an Area Commander (ACDR) on a wildfire incident

OR

Satisfactory performance as an Assistant Area Commander Logistics (ACLC)

+

Successful position performance as an Area Commander (ACDR) on a wildfire incident

OR

Satisfactory performance as an Incident Commander Type 1 (ICT1) on a National Type 1 Incident Management Team

+

Successful position performance as an Area Commander (ACDR) on a wildfire incident

PHYSICAL FITNESS LEVEL

None Required

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Assistant Area Commander Planning (ACPC)

Assistant Area Commander Logistics (ACLC)

Incident Commander Type 1 (ICT1)

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

None

INCIDENT COMMANDER TYPE 1 (ICT1)
(Position Category: ICS)

REQUIRED TRAINING

Advanced Incident Management (S-520) or Complex Incident Management Course (CIMC)

Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as an Incident Commander Type 2 (ICT2)

+

Successful position performance as an Incident Commander Type 1 (ICT1) on a wildfire incident

PHYSICAL FITNESS LEVEL

None Required

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Assistant Area Commander Logistics (ACLC)

Assistant Area Commander Planning (ACPC)

Finance/Administration Section Chief Type 1 (FSC1)

Incident Commander Type 2 (ICT2)

Logistics Section Chief Type 1 (LSC1)

Operations Section Chief Type 1 (OSC1)

Planning Section Chief Type 1 (PSC1)

Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

None

INCIDENT COMMANDER TYPE 2 (ICT2)
(Position Category: ICS)

REQUIRED TRAINING

Command and General Staff (S-420)
Incident Commander (S-400)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as an Incident Commander Type 3 (ICT3)
+
Satisfactory performance as an Operations Section Chief Type 2 (OSC2)
+
Successful position performance as an Incident Commander Type 2 (ICT2) on a wildfire incident
OR
Satisfactory performance as an Incident Commander Type 3 (ICT3)
+
Satisfactory performance as a Planning Section Chief Type 2 (PSC2)
+
Successful position performance as an Incident Commander Type 2 (ICT2) on a wildfire incident
OR
Satisfactory performance as an Incident Commander Type 3 (ICT3)
+
Satisfactory performance as a Logistics Section Chief Type 2 (LSC2)
+
Successful position performance as an Incident Commander Type 2 (ICT2) on a wildfire incident
OR
Satisfactory performance as an Incident Commander Type 3 (ICT3)
+
Satisfactory performance as a Finance/Administration Section Chief Type 2 (FSC2)
+
Successful position performance as an Incident Commander Type 2 (ICT2) on a wildfire incident

PHYSICAL FITNESS LEVEL

None Required

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Finance/Administration Section Chief Type 2 (FSC2)
Logistics Section Chief Type 2 (LSC2)
Operations Section Chief Type 2 (OSC2)
Planning Section Chief Type 2 (PSC2)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Advanced ICS (I-400)
Incident Commander (S-400)
Incident Management Team Leadership (L-480)

INCIDENT COMMANDER TYPE 3 (ICT3)
(Position Category: ICS)

REQUIRED TRAINING

Incident Commander Extended Attack (S-300)
Introduction to Wildland Fire Behavior Calculations (S-390)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as an Incident Commander Type 4 (ICT4)
+
Satisfactory performance as a Task Force Leader (TFLD)
+
Successful position performance as an Incident Commander Type 3 (ICT3) on a wildfire incident
OR
Satisfactory position performance as an Incident Commander Type 4 (ICT4)
+
Satisfactory performance as any Strike Team Leader (STCR, STDZ, STEN, STPL)
+
Satisfactory performance in any two Single Resource Boss positions (one must be CRWB or ENGB)
+
Successful position performance as an Incident Commander Type 3 (ICT3) on a wildfire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Division/Group Supervisor (DIVS)
Prescribed Fire Burn Boss Type 1 (RXB1)
Task Force Leader (TFLD)
Any Strike Team Leader (STCR, STEN, STDZ, STPL)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Incident Leadership (L-381)

INCIDENT COMMANDER TYPE 4 (ICT4)
(Position Category: ICS)

REQUIRED TRAINING

Initial Attack Incident Commander (S-200)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance in any Single Resource Boss position (CRWB, DOZB, ENGB, FELB, FIRB, HMGB, TRPB)

+

Successful position performance as an Incident Commander Type 4 (ICT4) on a wildfire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Prescribed Fire Burn Boss Type 2 (RXB2)
Any Single Resource Boss position (CRWB, DOZB, ENGB, FELB, FIRB, HMGB, TRPB)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Ignition Operations (S-234)
Fire Operations in the Wildland/Urban Interface (S-215)

INCIDENT COMMANDER TYPE 5 (ICT5)
(Position Category: ICS)

REQUIRED TRAINING

Firefighter Type 1 (S-131)
Look up, Look Down, Look Around (S-133)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Firefighter Type 2 (FFT2)
+
Successful position performance as an Incident Commander Type 5 (ICT5) on a wildfire incident.

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Firefighter Type 1 (FFT1)
Incident Commander Type 4 (ICT4)

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Wildland Fire Chain Saws (S-212)
Portable Pumps and Water Use (S-211)

Note: The ICT5 position is not prerequisite to the NWCG Incident Commander Type 4 (ICT4) position.

Note: The Firefighter Type 1 (FFT1) and Incident Commander Type 5 (ICT5) Position Task Books have been combined. However, the positions have not been combined. The FFT1 tasks are completed only once; additional tasks must be completed to meet the ICT5 level. The FFT1 and ICT5 tasks can be completed simultaneously. The Required Experience is satisfactory performance as a Firefighter Type 2 (FFT2).

SAFETY OFFICER TYPE 1 (SOF1)
(Position Category: ICS)

REQUIRED TRAINING

Advanced Incident Management (S-520) or Complex Incident Management Course (CIMC)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Safety Officer Type 2 (SOF2)

+

Successful position performance as a Safety Officer Type 1 (SOF1) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Operations Section Chief Type 2 (OSC2)

Safety Officer Type 2 (SOF2)

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

None

SAFETY OFFICER TYPE 2 (SOF2)
(Position Category: ICS)

REQUIRED TRAINING

Command and General Staff (S-420)
Safety Officer (S-404)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Division/Group Supervisor (DIVS)
+
Successful position performance as a Safety Officer Type 2 (SOF2) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Division/Group Supervisor (DIVS)
Safety Officer, Line (SOFR)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Advanced ICS (I-400)
Incident Management Team Leadership (L-480)

SAFETY OFFICER, LINE (SOFR)
(Position Category: ICS)

REQUIRED TRAINING

Fireline Safety Officer (When Available)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as any Strike Team Leader (STCR, STDZ, STEN, STPL)
+
Successful position performance as a Safety Officer, Line (SOFR) on a wildland fire incident
OR
Satisfactory performance as an Incident Commander Type 4 (ICT4)
+
Successful position performance as a Safety Officer, Line (SOFR) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Incident Commander Type 4 (ICT4)
Safety Officer Type 2 (SOF2)
Task Force Leader (TFLD)
Any Strike Team Leader (STCR, STEN, STDZ, STPL)

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Intermediate ICS (I-300)

Note: The Safety Officer, Line (SOFR) position is not prerequisite to the NWCG Safety Officer Type 2 (SOF2) position.

PUBLIC INFORMATION OFFICER TYPE 1 (PIO1)
(Position Category: ICS)

REQUIRED TRAINING

Advanced Incident Management (S-520) or Complex Incident Management Course (CIMC)

REQUIRED EXPERIENCE

Satisfactory performance as a Public Information Officer Type 2 (PIO2)

+

Successful position performance as a Public Information Officer Type 1 (PIO1)

PHYSICAL FITNESS LEVEL

None Required

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Public Information Officer Type 2 (PIO2)

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

None

PUBLIC INFORMATION OFFICER TYPE 2 (PIO2)
(Position Category: ICS)

REQUIRED TRAINING

Command and General Staff (S-420)
Information Officer (S-403)
Introduction to Wildland Fire Behavior (S-190)

REQUIRED EXPERIENCE

Successful position performance as a Public Information Officer Type 2 (PIO2)

PHYSICAL FITNESS LEVEL

None Required

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Public Information Officer (PIOF)

None

DIVISION/GROUP SUPERVISOR (DIVS)
(Position Category: ICS)

REQUIRED TRAINING

Division/Group Supervisor (S-339)
Introduction to Wildland Fire Behavior Calculations (S-390)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Task Force Leader (TFLD)
+
Successful position performance as a Division/Group Supervisor (DIVS) on a wildland fire incident
OR
Satisfactory performance as an Incident Commander Type 3 (ICT3)
+
Successful position performance as a Division/Group Supervisor (DIVS) on a wildland fire incident
OR
Satisfactory performance as an Incident Commander Type 4 (ICT4)
+
Satisfactory performance in any two Strike Team Leader positions (one must be STCR or STEN)
+
Successful position performance as a Division/Group Supervisor (DIVS) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Incident Commander Type 3 (ICT3)
Strike Team Leader Crew (STCR) or Strike Team Leader Engine (STEN)
Task Force Leader (TFLD)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Incident Leadership (L-381)

TASK FORCE LEADER (TFLD)
(Position Category: ICS)

REQUIRED TRAINING

Task Force/Strike Team Leader (S-330)
Fire Operations in the Wildland/Urban Interface (S-215)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as any Strike Team Leader (STCR, STDZ, STEN, STPL)
+
Successful position performance as a Task Force Leader (TFLD) on a wildland fire incident
OR
Satisfactory performance in any two Single Resource Boss positions (one must be CRWB or ENGB)
+
Satisfactory performance as an Incident Commander Type 4 (ICT4)
+
Successful position performance as a Task Force Leader (TFLD) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Incident Commander Type 4 (ICT4)
Any Strike Team Leader (STCR, STDZ, STEN, STPL)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Intermediate ICS (I-300)
Fireline Leadership (L-380)
Tactical Decision Making in Wildland Fire (S-336)

Note: The Task Force Leader (TFLD) and Strike Team Leader (STCR, STDZ, STEN, STPL) Position Task Books have been combined. However, the positions have not been combined. Strike Team Leader tasks are completed only once. The Required Experience for TFLD must be met prior to completing additional TFLD tasks.

STRIKE TEAM LEADER CREW (STCR)
(Position Category: ICS)

REQUIRED TRAINING

Task Force/Strike Team Leader (S-330)
Fire Operations in the Wildland/Urban Interface (S-215)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Crew Boss, Single Resource (CRWB)
+
Successful position performance as a Strike Team Leader Crew (STCR) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Strike Team Leader (STDZ, STEN, STPL)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Intermediate ICS (I-300)
Fireline Leadership (L-380)
Tactical Decision Making in Wildland Fire (S-336)

Note: *The Task Force Leader (TFLD) and Strike Team Leader (STCR, STDZ, STEN, STPL) Position Task Books have been combined. However, the positions have not been combined. Strike Team Leader tasks are completed only once. The Required Experience for TFLD must be met prior to completing additional TFLD tasks.*

Upon satisfactory performance in the prerequisite Single Resource Boss position, the specific strike team leader task book may be initiated. Once qualified as a Strike Team Leader, any additional Single Resource Boss qualifications will also qualify the individual in that corresponding strike team leader position—without having to complete the Strike Team Leader PTB for the new position—once agency certification is documented on the PTB Verification/Certification page.

STRIKE TEAM LEADER DOZER (STDZ)
(Position Category: ICS)

REQUIRED TRAINING

Task Force/Strike Team Leader (S-330)
Fire Operations in the Wildland/Urban Interface (S-215)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Dozer Boss, Single Resource (DOZB)
+
Successful position performance as a Strike Team Leader Dozer (STDZ) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Strike Team Leader (STCR, STEN, STPL)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Intermediate ICS (I-300)
Fireline Leadership (L-380)
Tactical Decision Making in Wildland Fire (S-336)

Note: The Task Force Leader (TFLD) and Strike Team Leader (STCR, STDZ, STEN, STPL) Position Task Books have been combined. However, the positions have not been combined. Strike Team Leader tasks are completed only once. The Required Experience for TFLD must be met prior to completing additional TFLD tasks.

Upon satisfactory performance in the prerequisite Single Resource Boss position, the specific strike team leader task book may be initiated. Once qualified as a Strike Team Leader, any additional Single Resource Boss qualifications will also qualify the individual in that corresponding strike team leader position—without having to complete the Strike Team Leader PTB for the new position—once agency certification is documented on the PTB Verification/Certification page.

STRIKE TEAM LEADER ENGINE (STEN)
(Position Category: ICS)

REQUIRED TRAINING

Task Force/Strike Team Leader (S-330)
Fire Operations in the Wildland/Urban Interface (S-215)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as an Engine Boss, Single Resource (ENGB)
+
Successful position performance as a Strike Team Leader Engine (STEN) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Strike Team Leader (STCR, STDZ, STPL)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Intermediate ICS (I-300)
Fireline Leadership (L-380)
Tactical Decision Making in Wildland Fire (S-336)

Note: The Task Force Leader (TFLD) and Strike Team Leader (STCR, STDZ, STEN, STPL) Position Task Books have been combined. However, the positions have not been combined. Strike Team Leader tasks are completed only once. The Required Experience for TFLD must be met prior to completing additional TFLD tasks.

Upon satisfactory performance in the prerequisite Single Resource Boss position, the specific strike team leader task book may be initiated. Once qualified as a Strike Team Leader, any additional Single Resource Boss qualifications will also qualify the individual in that corresponding strike team leader position—without having to complete the Strike Team Leader PTB for the new position—once agency certification is documented on the PTB Verification/Certification page.

STRIKE TEAM LEADER TRACTOR/PLOW (STPL)
(Position Category: ICS)

REQUIRED TRAINING

Task Force/Strike Team Leader (S-330)
Fire Operations in the Wildland/Urban Interface (S-215)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Tractor/Plow Boss, Single Resource (TRPB)
+
Successful position performance as a Strike Team Leader Tractor/Plow (STPL) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Strike Team Leader (STCR, STDZ, STEN)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Followership to Leadership (L-280)
Basic Air Operations (S-270)
Interagency Incident Business Management (S-260)
Wildland Fire Chain Saws (S-212)

FIRING BOSS, SINGLE RESOURCE (FIRB)
(Position Category: Wildland Fire)

REQUIRED TRAINING

Ignition Operations (S-234)
Crew Boss (Single Resource) (S-230)
Intermediate Wildland Fire Behavior (S-290)
Basic ICS (I-200)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Firefighter Type 1 (FFT1)

+

Successful position performance as a Firing Boss, Single Resource (FIRB) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Moderate

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Incident Commander Type 4 (ICT4)
Any Single Resource Boss (DOZB, FELB, ENGB, HMGB, TRPB, CRWB, ENGB)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Followership to Leadership (L-280)
Basic Air Operations (S-270)
Interagency Incident Business Management (S-260)

TRACTOR/PLOW BOSS, SINGLE RESOURCE (TRPB)
(Position Category: Wildland Fire)

REQUIRED TRAINING

Tractor/Plow Boss (Single Resource) (S-233)
Crew Boss (Single Resource) (S-230)
Intermediate Wildland Fire Behavior (S-290)
Basic ICS (I-200)
Basic Air Operations (S-270)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Firefighter Type 1 (FFT1)

+

Successful position performance as a Tractor/Plow Boss, Single Resource (TRPB) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Incident Commander Type 4 (ICT4)
Any Single Resource Boss (DOZB, FELB, FIRB, ENGB, HMGB, CRWB)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Followership to Leadership (L-280)
Interagency Incident Business Management (S-260)

STAGING AREA MANAGER (STAM)
(Position Category: ICS)

REQUIRED TRAINING

None

REQUIRED EXPERIENCE

Successful position performance as a Staging Area Manager (STAM)

PHYSICAL FITNESS LEVEL

Light

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Firefighter Type 1 (FFT1)

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Basic ICS (I-200)

Staging Area Manager (J-236)

FIREFIGHTER TYPE 1 (FFT1)
(Position Category: Wildland Fire)

REQUIRED TRAINING

Firefighter Type 1 (S-131)
Look Up, Look Down, Look Around (S-133)
Portable Pumps and Water Use (S-211)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Firefighter Type 2 (FFT2)
+
Successful position performance as a Firefighter Type 1 (FFT1) on a wildland fire incident

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Incident Commander Type 5 (ICT5)
Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Wildland Fire Chain Saws (S-212)
Followership to Leadership (L-280)

Note: The Firefighter Type 1 (FFT1) and Incident Commander Type 5 (ICT5) Position Task Books have been combined. However, the positions have not been combined. The FFT1 tasks are completed only once; additional tasks must be completed to meet the ICT5 level. The FFT1 and ICT5 tasks can be completed simultaneously. The Required Experience is satisfactory performance as a Firefighter Type 2 (FFT2).

FIREFIGHTER TYPE 2 (FFT2)
(Position Category: Wildland Fire)

REQUIRED TRAINING

Basic Firefighter Training:

Firefighting Training (S-130)

Introduction to Wildland Fire Behavior (S-190)

Introduction to ICS (I-100)

Human Factors in the Wildland Fire Service (L-180)

Annual Fireline Safety Refresher (RT-130)*

REQUIRED EXPERIENCE

None

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

None

**Note: Annual Fireline Safety Refresher (RT-130) is not required for the first year as a Firefighter Type 2 (FFT2); however, it is required for subsequent years.*

Note: For the Firefighter Type 2 (FFT2) position, satisfactory completion of the Required Training meets the position qualification requirements. The Firefighter Type (FFT2) PTB has been eliminated and will be replaced with a Job Aid.

Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Followership to Leadership (L-280)

Interagency Incident Business Management (S-260)

Ignition Operations (S-234)

Contract Administration Skills

*Note: *When Helicopter Managers are intended to be utilized for other missions they must be ordered with additional qualifications such as: ICT4, PLDO, Agency Exclusive Use Prerequisites, etc.*

HELICOPTER CREWMEMBER (HECM)
(Position Category: Wildland Fire)

REQUIRED TRAINING

Helicopter Crewmember (S-271)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Firefighter Type 2 (FFT2)
+
Successful position performance as a Helicopter Crewmember (HECM)

PHYSICAL FITNESS LEVEL

Arduous

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

Any higher position for which this position is a prerequisite

OTHER TRAINING WHICH SUPPORTS DEVELOPMENT OF KNOWLEDGE AND SKILLS

Pumps and Water Use (S-211)

AIR TACTICAL GROUP SUPERVISOR (ATGS)
(Position Category: ICS)

REQUIRED TRAINING

Air Tactical Group Supervisor (S-378)
Annual Fireline Safety Refresher (RT-130)

REQUIRED EXPERIENCE

Satisfactory performance as a Division/Group Supervisor (DIVS)

+

Successful position performance as an Air Tactical Group Supervisor (ATGS) on a wildfire incident

OR

Satisfactory performance as an Incident Commander Type 3 (ICT3)

+

Successful position performance as an Air Tactical Group Supervisor (ATGS) on a wildfire incident

PHYSICAL FITNESS LEVEL

None Required

OTHER POSITION ASSIGNMENTS THAT WILL MAINTAIN CURRENCY

POSITION QUALIFICATION FLOW CHARTS

These charts *are not* Incident Command System chain of command organization charts.

These charts show the progression from one position to another within the qualification system. For more information on a position, refer to the individual Qualification Page.

Each box within the charts contains information pertaining to Required Experience (Qualified As), Required Training, and Physical Fitness Level.

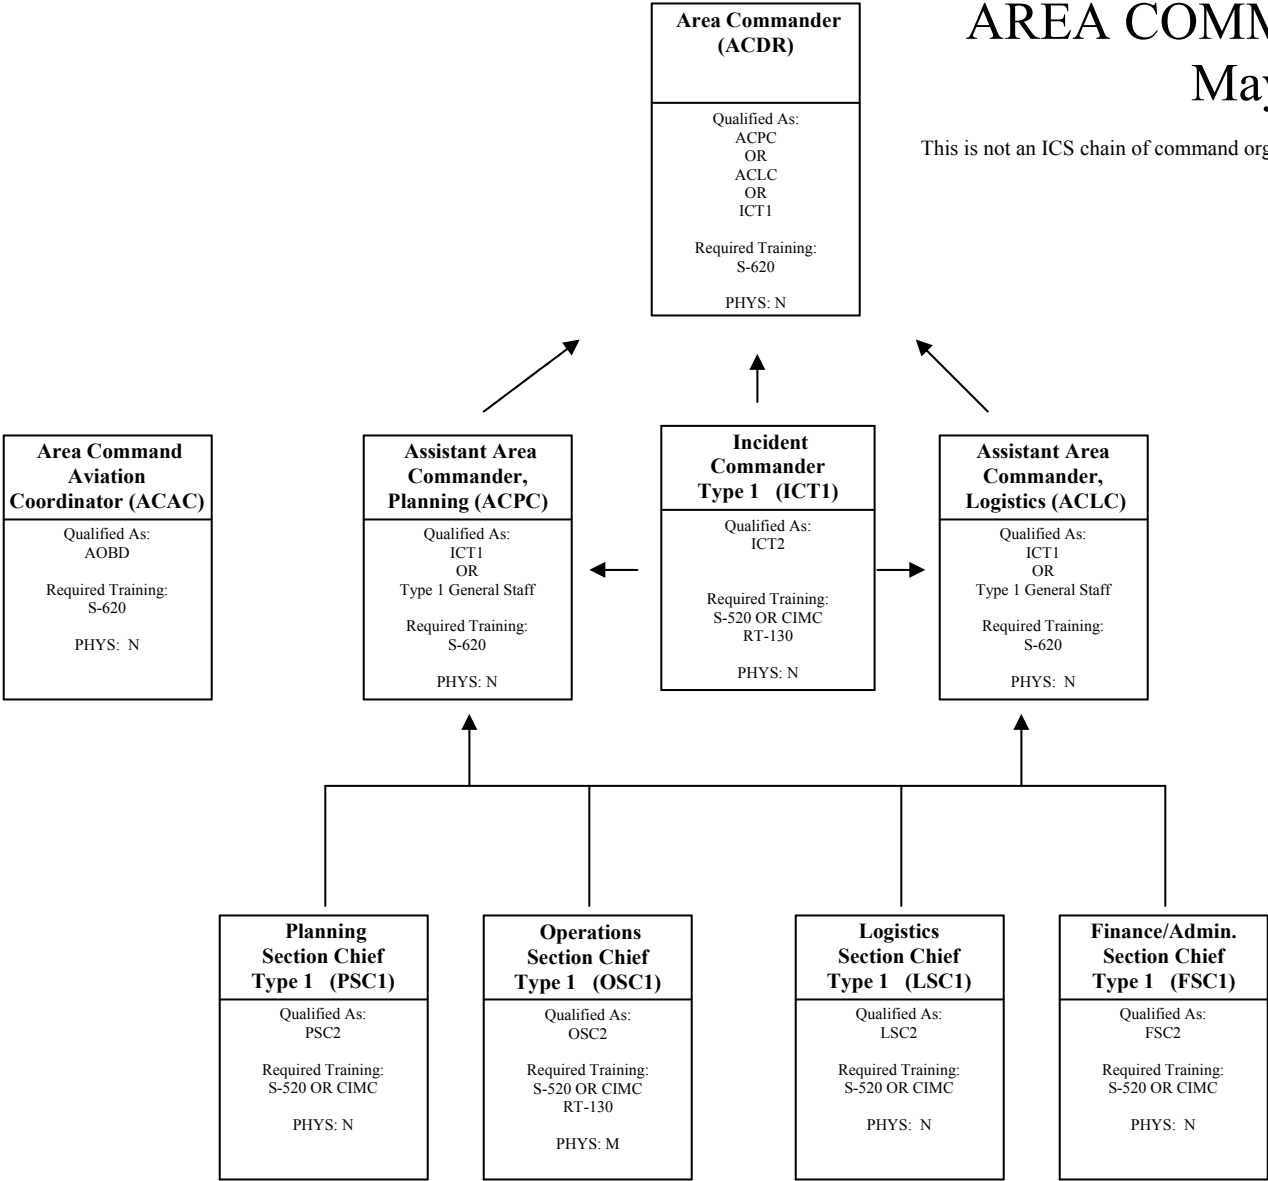

Planning Section Chief Type 2 (PSC2)	← Job title
	← Position Code
Qualified As: SITL + RESL	← Required Experience qualification referenced by Position Code
Required Training: S-420	← Required Training course(s) for qualification in this position (does not show Annual Fireline Safety Refresher Training, which is referenced on individual Qualification Pages)
PHYS: N	← Required level of physical fitness:

A = Arduous
M = Moderate
L = Light
N = None Required
